Today in the Ausseerland

Altaussee Salzwelten (Salt Mine)

The Salzwelten Altaussee, Austria's largest active salt mine, combines mining history with the rescue of stolen Nazi looted art. The children's tours with Sally, the clever mining duck, are a highlight.

Grimming

The Grimming is an isolated massif between the Enns Valley and the Hinterberg Valley. It is an imposing figure and before the mountains were measured in detail, it was long thought to be the highest mountain in Styria. Many paths lead up the Grimming. They are all challenging in the end, but the summit climb is all the more memorable and scenically impressive.
