2 to 11 May 2025

“All electric society - is the future electric?” - Energiecamp Murau

The Holzwelt Murau energy camp on May 8 and 9, 2025, is all about the future of energy supply: “all electric society”. Are we already electrified on the way to climate neutrality? Are our grids fit for a successful energy transition? How will the energy systems of the future be designed and how does the electricity market actually work?

These and other hot topics will be explored from all angles at Energy Camp 2025.

Murau
Preview of the elfenstein ensemble
08:00 pm | MURAU PARISH HALL

With "REISE LENZ", the elfenstein ensemble brings Georg Büchner's story to life. In a world in which origin, family and religion are losing their significance, the audience accompanies a young person on his search for stability. The powerful texts merge with music to create a unique, technoid language art opera. Words and sound open up an impressive landscape of hope, despair and wild beauty. A moving experience in the Murau region for all those who appreciate extraordinary literature and gripping music!
