Young
Styria

Young Styria

Young Styria is an association of 48 accommodations, excursion destinations and leisure partners throughout Styria. Our heartfelt mission is to enable children and youth groups as well as their supervisors an unforgettable stay.

1 Advantages & benefits

The cooperation between supervisors and Young Styria can be compared to a long-standing friendship. Like good friends, we give you valuable tips for leisure activities, attractions and all-weather programs for your stay in Styria. From your first enquiry to booking your accommodation, we are there to help you as your personal contact. You will benefit from our many years of experience in organising youth trips and from our Styria-wide network. We offer you a high level of support in planning and organizing your children's and youth group trip and help you design a diverse programme that is both fun and educational.

2 Quality

All our partners have been tested for quality criteria and offer everything that school classes and young groups need for a great stay in Styria. The child- and youth-orientated accommodations allow for optimal supervision of the groups on site. The Young Styria establishments specialize in the needs of school and youth groups and are also happy to take individual dietary needs and other requirements into account.

Our partners offer a wide range of leisure activities, from hiking and cycling tours to cultural programmes. This means you will find an offer that is perfectly tailored to your wishes and needs of your group.

3 Study tours

Do you teach or organise excursions for children and young people? Then our informative study tours will give you the chance to get a personal impression of Styria before your trip. You can get to know the Young Styria accommodations, excursion destinations and leisure partners without any worries and find out what your group likes best. The varied programmes from Friday to Sunday guarantee instructive days and a heartfelt exchange between colleagues. More information at: www.steiermark.com/youngstyria/studienreisen

Travel ideas and modules

Offers, travel packages and inspiration for spending time together in Styria

Our various travel ideas make it easier for you to plan and organise unforgettable youth club, school and general youth trips!

The Young Styria partners have years of experience and understand the needs of young groups and their accompanying adults very well. They also provide you with proven procedures.

Whether it's a summer or winter sports week, introduction days, class excursions or day trips: we have the right programme for every taste. On our website you will find ready-made programmes as well as modules that you can incorporate individually into your trip. For specific requests, please contact us directly.

The travel ideas offer you the best for a year-round experience in Styria: nature, culture, sport, language, culinary delights and team building allow your young group to thrive and grow together.

To the travel ideas

For young souls
